Examiner /Adam Henderson/	Date Considered 04/01/2007

Examiner: Initial if citation considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

The identification of any document herein is not intended to be, and should not be understood as being, an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law since, for example, a given document may have a later effective date than at first seems apparent or the document may have an effective date which can be antedated. The "prior art" status of any document is a matter to be resolved during prosecution.

4. Indoor Housing: SDR6 Six Inch Dome/Flat Lens For Fixed Cameras, Instructions to Mount, Assemble, Wire & Install the Wren 6" Dome For Fixed Cameras, Wren Associates Ltd., 2002, pages 1-5.

5. Low-Cost Dome KTA-L Series, Economical Indoor and Outdoor Housings For Fixed Cameras, GE Interlogix, Kalatel Division, September 2002, pages 1-4.

6. LTC 9349 Series Fixed Dome Housings, Installation Instructions, Philips Electronics N.V. and Philips Communications & Security Systems Inc., 1999, pages 1-11.

A copy of each document is included for the express purpose of providing the Patent and Trademark Office with ample opportunity to evaluate the same and arrive at an independent assessment of the materiality of each, if any, to the examination of the above-identified application.

In reviewing the enclosed copies of the above documents, the Examiner is instructed to ignore any underscoring or highlighting which may have been done because such markings may or may not have any relationship to the subject matter of the above-identified application. The copies being submitted with this Information Disclosure Statement are the best copies available at this time.

The identification of any document herein is not intended to be, and should not be understood as being, an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law.
